CELEBRATING APPRENTICES

Presentation of Bursaries

15 February 2019

Dear Liveryman,

Throughout its 654-year history, the Worshipful Company of Plumbers has valued the role of apprenticeships. The Apprentice's Statue in London's Cannon Street Station is a public demonstration of the part which apprentices play in the plumbing industry.

Now in its third year, the presentation of bursaries at the Statue has been arranged on **Wednesday 27 March 2019**. (Sadly, it was not possible to coincide with World Plumbing Day this year). There are six bursary prizes to be presented by the Master to people who are currently undergoing training to become qualified to work in the industry. The bursaries (which have been provided by the Company's Education and Charitable Trust with generous support from City and Guilds of London Institute and Monument Tools) will enable the recipients to purchase plumbing tools through Monument Tools.

After the presentation ceremony beside the Apprentice Statue, lunch has been arranged in The Vintry, very close to Cannon Street Station.

Liverymen and their guests are welcome to join The Master, Wardens and members of the Court at the presentation event and to attend the lunch.

The timetable is as follows:

- 1050 Gather beside the Plumber's Apprentice Statue
- 1100 Presentation of bursaries
- 1200 Lunch at The Vintry

There is no cost for attending the presentation event and the cost of attending the lunch (a two-course meal with a half-bottle of wine or soft drink) will be £36, including gratuities.

Please note that places in the restaurant are limited and bookings will be accepted on a 'first come first served' basis. Please book by completing the form below and returning it to the office by **20 March 2019**. Refunds cannot be guaranteed for cancellations after that date.
