Financial Assistance for Student Plumbers

The Worshipful Company of Plumbers is one of the most ancient of the Livery Companies of the City of London having served the City and the craft of plumbing continuously for over 650 years. It was founded to promote and maintain high standards of Craftsmanship and Business conduct.

The Company offers Bursaries to assist students working for NVQ Level 3 MES (Plumbing). Students are encouraged to apply. Professional bodies, training providers or employers are encouraged to support students who, in their opinion, meet the criteria and would therefore merit consideration as possible recipients of a Bursary.

A Bursary is intended to assist students with their costs for text books, tools, travel etc in studying for a NVQ Level 3 MES (Plumbing) qualification. The Company annually considers Bursaries of up to £1000 for students of plumbing. A Bursary shall not be used to offset any course fees provided by an employer.

Candidates must provide:

1. Proof of registration including the enrolment number with the awarding body for NVQ Level 3 MES (Plumbing) currently the City and Guilds of London Institute.
2. Proof of completion of NVQ Level 2 MES (Plumbing)

If you possess a different qualification that you wish to be considered, send details to the Clerk.

All application will be considered by the Company's Educational Committee, who may wish to interview candidates. Should an interview be requested travelling expenses will be reimbursed. Clearly not all candidates will be successful and the decision of the Educational Committee is final. No correspondence will be entered into in respect of decisions made and the Bursaries given.

Successful applicants may after completion of the Course be invited to attend a function, such as a luncheon, of the Livery Company in London for which travel expenses will be reimbursed.

A Bursary, once granted, will not be paid until proof of registration with the awarding body (CGLI) for the full NVQ Level 3 MES (Plumbing) has been submitted from an approved provider.

The Application Form for a Bursary can be found below and should be completed and returned by May 30th to the Clerk of the Worshipful Company of Plumbers, Worshipful Company of Plumbers Carpenters' Hall 1 Throgmorton Avenue London EC2N 2JJ Tel: 020 7628 8880.
