Dear Paul

Thank you so much for your letter of 21 September enclosing the company's latest donation of £1,000 to the Cathedral Foundation to help the cathedral fund a chorister. As you will have heard, they are musically already on fine form considering that it is the beginning of their academic year. We shall as always recognize the Plumbers' kind support in the 2016 United Guilds service booklet, on the liveries page of our website and by inviting the Master and you to our event next September at which the boys will give a recital after evensong. With our renewed thanks and best wishes.

Yours
Roger
