To:- All Liverymen

June 2011

**Fundraising for the Company's Plumbing Museum at Singleton  
Can Hadrian's Wall Help?**

The Plumbing Museum at Singleton needs help from the Livery to enable it to improve the Public's experience of the demonstrations of traditional Plumbing Craft Skills that are carried out in the Court Barn. We find that of the many people who come into the Court Barn to see these demonstrations, that those at the back of the group cannot see or hear clearly what is being said and done. To improve our communication with the Public, particularly with the many organised school, college and educational group visits, we wish to purchase visual and audio equipment and install it in the demonstration area of the Court Barn.

The success of the Museum is the result of the generous amount of time and energy given by a small group of dedicated volunteers, so come on, liverymen, if they can do so much for the Worshipful Company and its Museum, surely you can reciprocate. To this end, the Immediate Past Master's wife, Wendy Hamilton, has asked that you sponsor her as she undertakes to walk Hadrian's Wall, a distance of eighty-four miles, in seven days or less, to raise the money needed to buy and install the visual and audio equipment.

No matter how big or small, every £1 raised helps the Museum to continue promoting the Craft to young and old alike. Your generosity would be so very much appreciated.

Please make your donation payable to The Plumbing Museum and Workshop Trust and send it with the attached slip to the Clerk at the Office:-  
Air Commodore Paul Nash OBE., Clerk, The Worshipful Company of Plumbers, Wax Chandlers' Hall, 6 Gresham Street, London, EC2V 7AD.

The result will be given in the next issue of the Newsletter.

---

**Wendy's Walk for the Plumbing Museum**

I should like to sponsor Wendy in raising money for the purchase of equipment for the Plumbing Museum.

I enclose my cheque for the sum of £.....

To enable the Museum to claim Gift Aid on your donation please complete below:
