Dear Fellow Lightmonger,

Lightmongers Lecture with Jonathon Porritt
Tuesday 25th October 2016

I am pleased to announce that we will be hosting a Lightmongers Lecture on **Tuesday 25th October** 2016 at the London Transport Museum with our guest speaker Environmentalist and Writer **Jonathon Porritt**

The lecture will open with registration over tea and coffee from **6:15pm**, followed by a welcome and the lecture from 7:00pm. There will be time for questions after the lecture followed by a glass of wine /soft drinks, the evening will end at 8.30pm.

‘Two things today are crystal clear. First, a radically decarbonised global economy (to avoid runaway climate change) is now an imperative, signed up to by all nations on Earth in Paris last year. Second, demand for lighting services, the world over, will grow and grow – at an ever faster rate. How can the lighting industry ensure that these two realities are mutually reinforcing rather than mutually exclusive? The potential to get this right is enormous, but how well-placed is the industry to deliver on this all-encompassing challenge?’

The cost for this charity event is £35pp

Please reply **ASAP** to avoid disappointment.

Yours Sincerely
