## THE MASTER'S GREAT DISAPPEARING ACT

**A Visit to the Magic Circle**

**Monday 25<sup>th</sup> September, 11:00 for 11:30**

The Magic Circle, hidden behind an anonymous blue door in a cobbled backwater near Euston Station, is the world's most renowned society for professional magicians. Formed in 1905, its Clubrooms are the regular meeting place of the leading magicians of today.

We have 25 tickets for "History and Mystery", an intriguing tour of a building which houses priceless treasures, memorabilia and artefacts from the world of magic past and magic present, augmented by some entertaining close-up magic presented by a skilled member of the Magic Circle and a truly magical performance in the fully equipped theatre.

Afterwards we shall adjourn for lunch to a bijou little Italian restaurant, Brizzi's in nearby Drummond St – a family business since 1984.

Join the Master and Mistress Plumber for their final 'disappearing act'. Now you see me as I am.... Soon I shall appear transformed....

The price of this mysterious, memorable and unmissable visit is just £45 per person including lunch (two courses with tea or coffee). Subject to demand, two or three places may be available for the Magic Circle only, at a price of £20 per person. You'll curse your misfortune if you miss out, so *act immediately*, before the tickets disappear!
