Rewarding excellence through our awards

The Charity has supported apprentices and colleges in the North of England for over 100 years by the annual award of the Wilkinson Shield. The Charity also presents awards to the top plumbing apprentices of the Royal Engineers.

Supporting life-saving plumbing projects

We cooperate with other bodies in supporting plumbing and sanitary projects in other countries.

Supporting and rewarding trainee Plumbers

We provide bursaries for trainee plumbers attending colleges throughout the country.

Recognising the Craft of Leadwork

We support historic lead craft work through our workshop at Singleton.

■ The Plumbers XI is drawn from the very best the industry can muster. A talented group of Plumbers by day and fine cricketers on match days.

■ Their fixture list is short but of high quality, rather like their performances.

■ Their track record is impeccable, never having lost a game.

■ Each game is celebrated with large quantities of tap water in true Plumber style.

The day will begin at 12.00 noon with a Pimms Reception in the grounds outside the Marquee and the Pavilion.

A full Hog Roast lunch will then be served to include, Lamb Cutlets, Dressed Salmon, vegetarian options, together with new potatoes and a selection of salads. All followed by a selection of sweets.

Afternoon Tea will be served in the Marquee during the playing interval, to include the finest English tea and scones.

It is estimated that the day will finish around 18.30–19.30 after awards to the players.

Wine and waters will be on the table with further drinks available from the Pavilion Bar which will be open all day.

A Silent and Live auction will take place during the Lunch with entertainment courtesy of our Toastmaster.

The game will begin around 15.00 in T20 format.

A professional photographer will be available all day to create some unique momentos, all available to purchase after the event.
