PLUMBERS' GOLF SOCIETY CHAIRMAN'S AWAY TRIP/WEEKEND
MORLEY HAYES GOLF HOTEL, DERBYSHIRE - 29 TO 30 MAY 2022

Dear Fellow PGS Members,

I would like to offer you all a fabulous short golfing break next year at the splendid Morley Hayes Golf Hotel in the stunning Derbyshire Dales. The package on offer is two rounds of golf on their Manor Course, and a three-course dinner, bed and breakfast in their 4* hotel. Lunches and drinks would be on a cash basis.

We would aim to arrive at lunchtime on Sunday 29 May 2022 and then play 18 holes of golf on their championship Manor Course. Accommodation is in either an executive or superior room and includes a three-course dinner that evening (in a private room if numbers permit) and full breakfast the following morning. We would then play 18 holes on Monday morning and depart after lunch. The price, including prizes for those playing, is £135 @head for a shared executive room or £145 @head for a shared superior room. There is a £30 supplement for a single occupancy room (executive or superior) and a £40 reduction for any non-golf playing guests who share a room with you. Buggies are available for £25 per round. They are holding seven executive rooms and nine superior rooms for me on a 'first come first served' basis and have asked for a £50 deposit per room to confirm each booking.

If you would like to join me (I have stayed and played here before and it is lovely), you can reserve a room by paying your £50 deposit to the Plumbers Golf Society account: WCoP Golf Society, sort code 40-09-10, account number 01061275 by 24 December 2021 using reference "Your Surname 29May plus E or S" (executive or superior room). Further details and final arrangements will be sent out in the New Year. Bookings after this date are subject to availability.

I hope you can join me.

Paul

Paul Nash
PGS Chairman
